## SPONSORSHIP REQUEST

Canadian Ayurvedic Members Alliance (CAMA) is a not-for-profit body based in Ottawa, with members from right across Canada.

On Aug 18th and 19th this year (2018) CAMA has arranged an International Ayurveda Conference at Toronto.

Among the approximate 150 people expected to attend this Conference will be some well-known and experienced Ayurvedic teachers and practitioners from India, U.S., and Canada as well as members of other healthcare related disciplines and the public.

The purpose of the Conference is to highlight the role of Ayurveda and expound the practicality of this modality of health & longevity for modern times. It is hoped that the conference will enrich the practitioners of other disciplines of healing in relating their own approach to healing using Ayurveda's nature-based foundation.

The practical and simple application of these principles for health and longevity should appeal to all and also expose many more people, here in Canada, to fresh horizons in healing.

To be able to do this and to present an outstanding Conference in Canada, we depend on having special sponsors like you, who could also use this Conference to promote their businesses. Overleaf, we have detailed the different sponsorship levels and the benefits of each for your kind consideration.
